WELCOME TO YOUR GROUP INSURANCE PLAN

We are pleased to provide you with a comprehensive package of group insurance benefits provided by Industrial Alliance Insurance and Financial Services ("iA Financial Group"). Your group insurance plan provides valuable security. This booklet describes in summary your group benefit plan as of the date shown on the cover.

The purpose of this booklet

This booklet is designed to outline the Optional Group Insurance benefits which are available to you and your dependents under the Group Policy issued to your association by iA Financial Group and is available to you upon request to your plan administrator. In the event of any variation between this booklet and the provisions of the Policy, the latter will prevail. All rights with respect to the benefits of an insured person will be governed solely by the Group Policy which may be amended from time to time.

Important note

Possession of this booklet alone does not mean that you or your dependents are automatically insured. The applicable group policy must be in effect and all of the requirements of the policy must be satisfied.

As this booklet contains information that is important to you, you are encouraged to read it thoroughly and discuss any questions you have with your plan administrator. Please file this booklet in a safe place with your other important documents for future reference.

To avoid delays, always include your full name and personal identification number (i.e. certificate number), your group policy name and your group policy number on any claim forms or correspondence submitted to iA Financial Group.

Changing your records

To ensure that coverage is kept up to date for you and your dependents, it is vital that you advise your plan administrator of any changes. This includes a name change, change in marital status or dependents, change of beneficiary, or application for benefits previously waived.

Your Plan Administrator

Your plan administrator is responsible for making sure that all members are covered for the benefits they are entitled to by submitting all required premiums, reporting all new enrolments, terminations, changes etc. and by keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your plan administrator with the necessary information to perform such duties.
