• You retire or terminate Your Active Membership, if coverage remains in effect under the Policy for other Insured Persons.

• The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.

• You are no longer eligible for coverage under the Policy.

Premiums will be billed directly to you. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time you apply for portability. Each Premium due will include a billing fee as indicated with the portability application or subsequent notice. We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:

• The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.

• The date you die.

• The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If you are on portability, you also have a grace period of 75 days for the payment of any premium due. During the grace period your coverage will remain in force. If full payment is not received by us by the end of the grace period, your coverage will automatically terminate at the end of the grace period. A pro rata premium payment is required for any period your coverage was in force during the grace period.

Except in the case of fraud, no statement made by you in an application relating to your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during your lifetime.

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.

We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing.
