## Delta Dental PPO™

### Save with PPO

Visit a dentist in the PPO<sup>1</sup> network to maximize your savings.<sup>2</sup> These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.<sup>3</sup> Find a PPO dentist at [deltadentalins.com](https://deltadentalins.com).

### Set up an online account

Get information about your plan anytime, anywhere by signing up for an online account at [deltadentalins.com](https://deltadentalins.com). This free service, available once your coverage kicks in, lets you check benefits and eligibility information, find a network dentist and more.

### Check in without an ID card

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and enrollee ID or social security number. If your family members are covered under your

plan, they will need your information. Prefer to take a paper or electronic ID card with you? Simply log in to your account, where you can view or print your card with the click of a button.

### Coordinate dual coverage

If you're covered under two plans, ask your dental office to include information about both plans with your claim, and we'll handle the rest.

### Understand transition of care

Did you start on a dental treatment plan before your PPO coverage kicked in? Generally, multi-stage procedures are only covered under your current plan if treatment began after your plan's effective date of coverage.<sup>4</sup> You can find this date by logging in to your online account.

## Save with a PPO dentist

<sup>1</sup> In Texas, Delta Dental Insurance Company provides a dental provider organization (DPO) plan.

<sup>2</sup> You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

<sup>3</sup> You are responsible for any applicable deductibles, coinsurance, amounts over annual or lifetime maximums and charges for non-covered services. Out-of-network dentists may bill the difference between their usual fee and Delta Dental's maximum contract allowance.

<sup>4</sup> Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier is responsible for any costs. Group- and state-specific exceptions may apply. If you are currently undergoing active orthodontic treatment, you may be eligible to continue treatment under Delta Dental PPO. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.
