How it works

- 1 Create your account on the Teladoc Health app or website and fill out your medical history.
- 2 Select the "Specialists & Expert Medical Opinion" tile, and find which of our services can best solve your needs.
- 3 Get matched to our support team, who will contact you at a preferred time to identify how to best help you.

We are committed to making clinical quality and convenient virtual care our top priority. That includes extending access to medical experts wherever you are.
